The screenshot displays the 'myCPD' system interface for a Supervisor. The main section is titled 'Users Point Approval' and shows a 'List of Pending Program & Events Points Approval'. Below this, there are search filters for 'Unplanned Program' and 'CPD User name'. A table lists pending requests, with one entry for 'ELI ABDUL HAMID' and 'PROGRAM LATIHAN EKSA HOSHAS'. The table includes columns for CPD User, Program Name, Date, Category, and Point. A sidebar on the left contains navigation options like 'Dashboard', 'Assign Program', and 'User's Program Approval'. Numbered callouts indicate specific actions: 1. Click the 'Reset' button to clear search filters. 2. Click the 'Search Unplanned' button to search for programs. 3. Click the calendar icon to select a date. 4. Click the green checkmark icon to approve the request.
